
VITRUM

Company Profile

Vitrum Systems LLP, a part of the JHP Galaxy Group of companies, with interests in manufacturing, real estate, agriculture, CSR education and architectural products. The group has a business history of over 80 years, and is known for its TRUST and TRANSPARENCY.

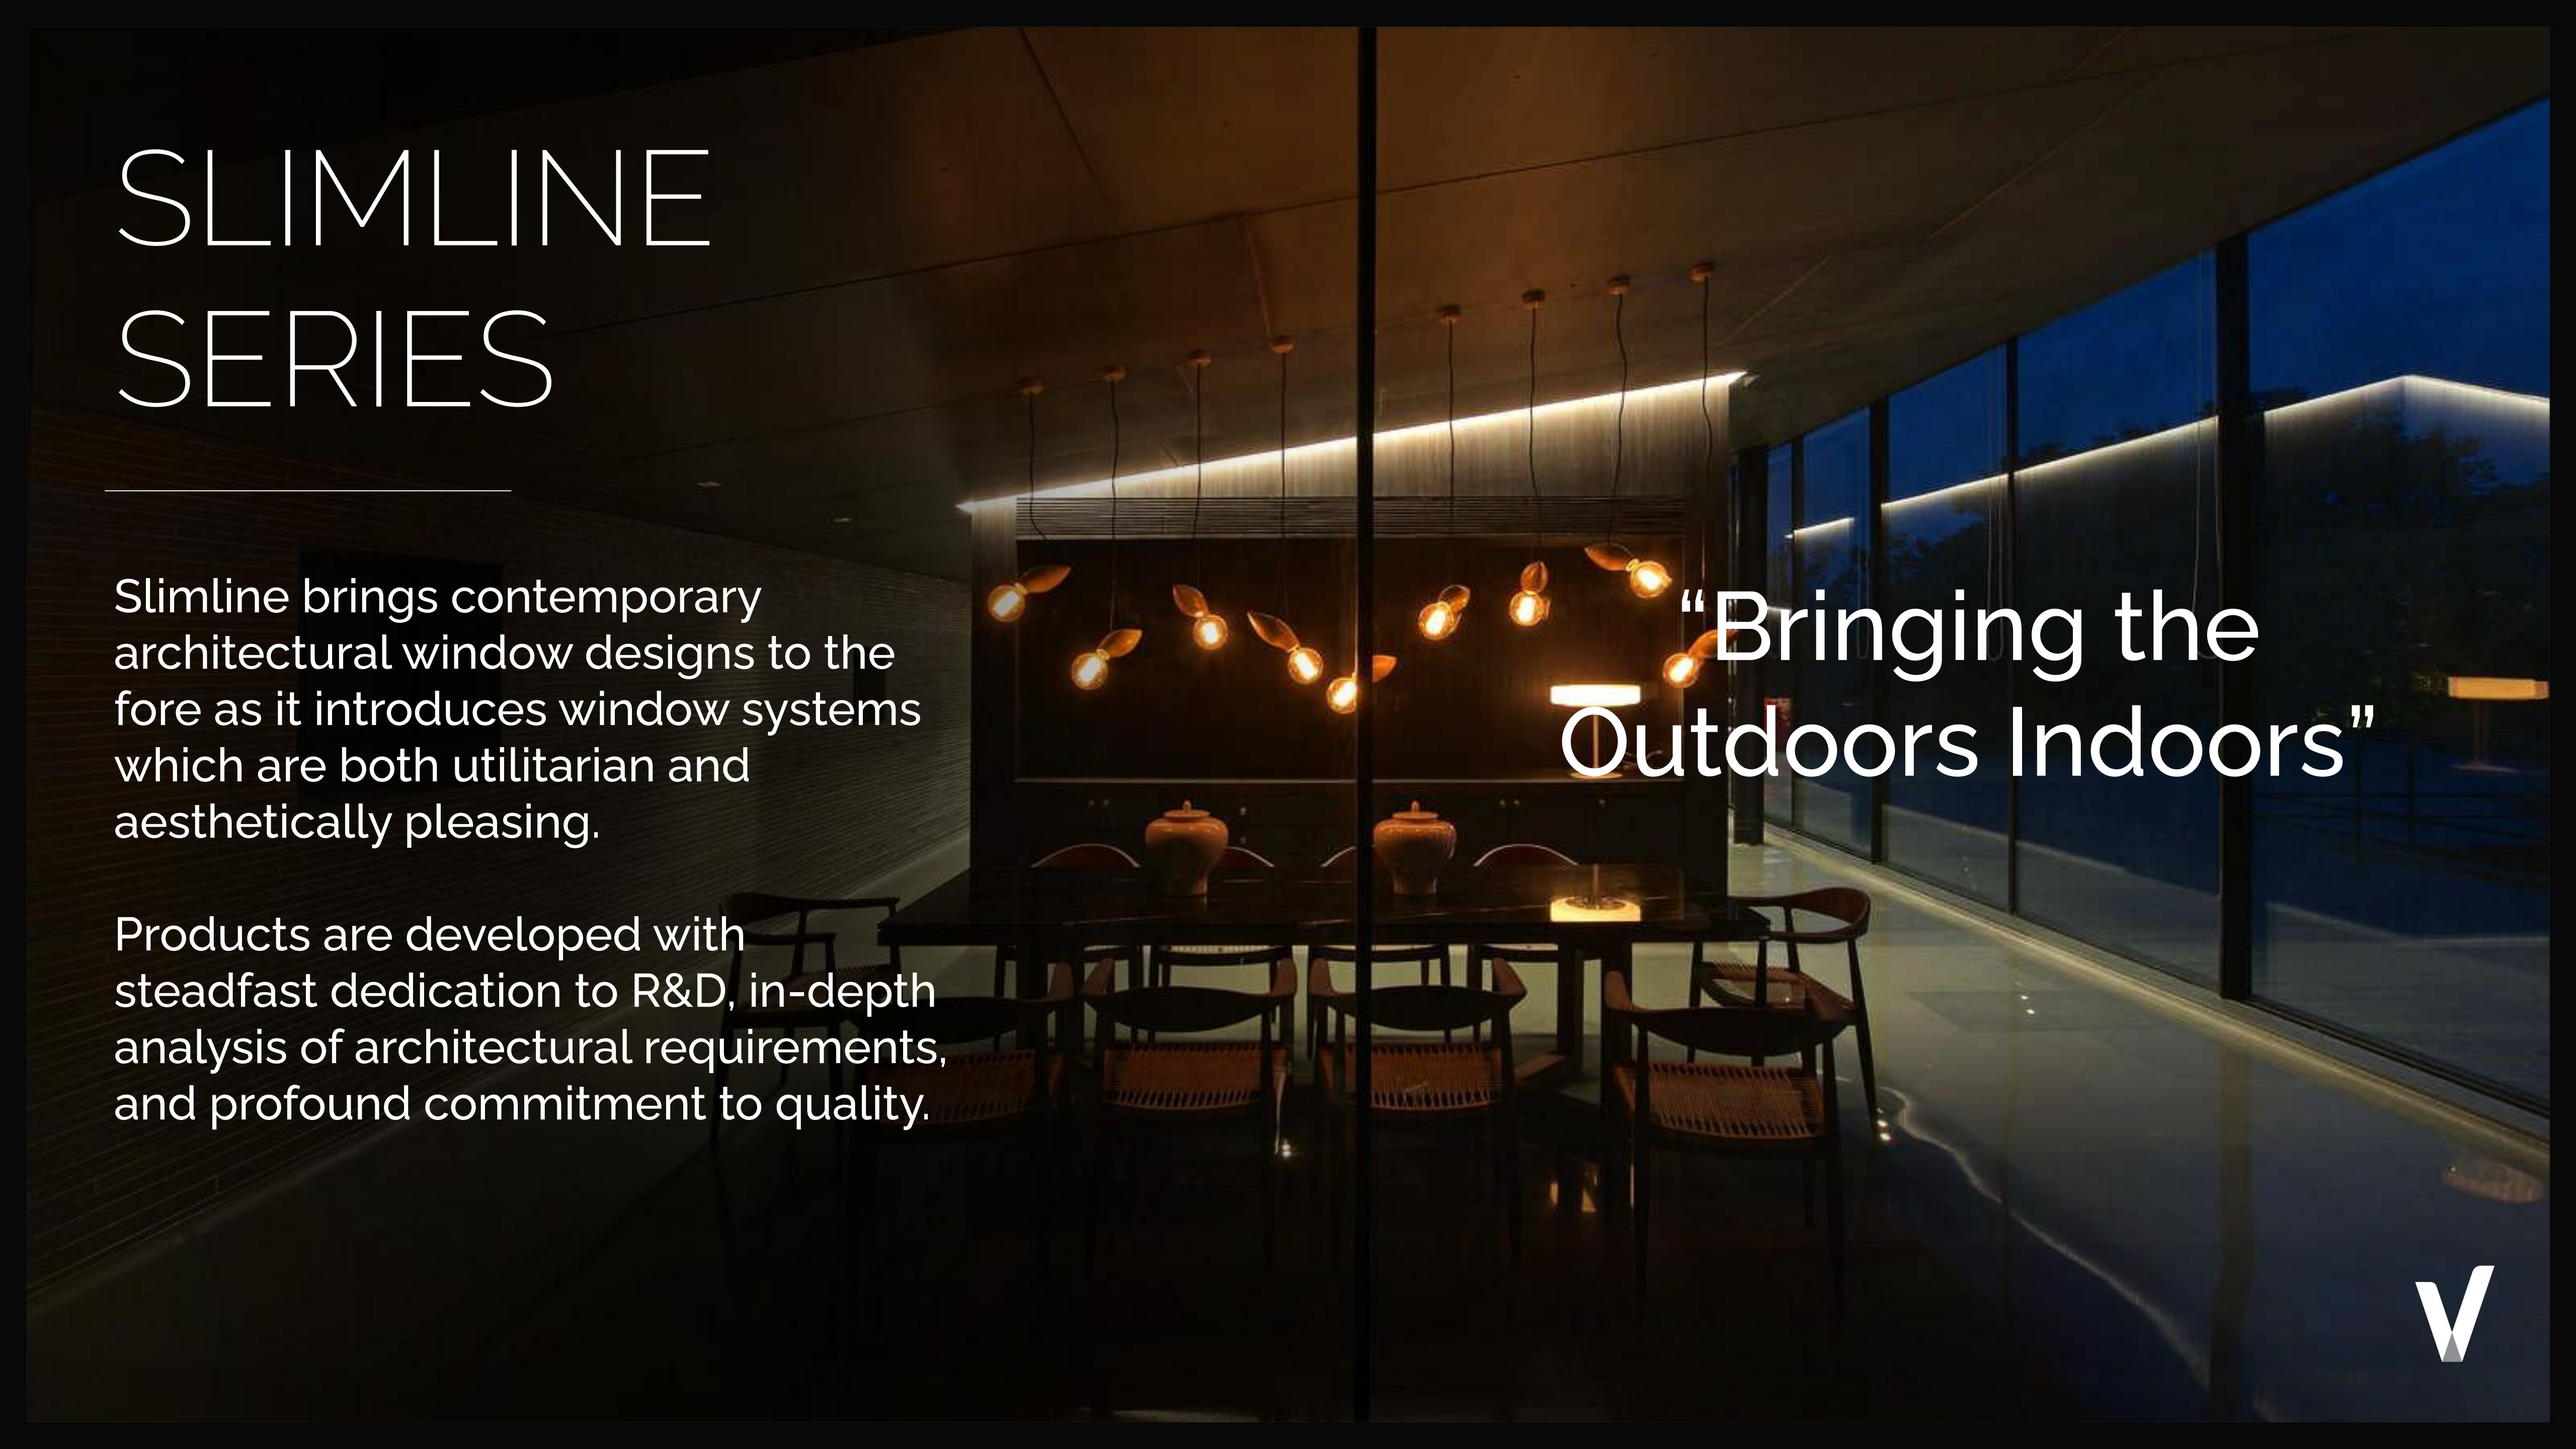

Vitrum has created a high brand value for itself by continuously innovating new products, never compromising on quality and always ensuring that the customer comes first.

The company with its strong workmanship and state of art technology offers a wide range of high quality products with sophisticated functionality and aesthetic appeal.

SLIMLINE SERIES

Slimline brings contemporary architectural window designs to the fore as it introduces window systems which are both utilitarian and aesthetically pleasing.

Products are developed with steadfast dedication to R&D, in-depth analysis of architectural requirements, and profound commitment to quality.
